

THE CITY OF WASHINGTON, D.C.
OFFICE OF THE DEPUTY MAYOR
1350 PENNSYLVANIA AVENUE, NW, WASHINGTON, DC 20004

FOR IMMEDIATE RELEASE
MARCH 06, 2018
No. 002

***THE OFFICE OF THE DEPUTY MAYOR PUBLICLY STATES THAT THE ACTIONS OF
COUNCILLOR ADVICE DO NOT REFLECT THE BELIEFS OF THE D.C. MUNICIPAL
GOVERNMENT***

As elected officials, the Councillors of the District of Columbia City Council are expected to uphold a standard above that of the average American. We need to keep strong relations with the Federal government, recognize the application of the law (especially if we have a license saying we can apply the law), and keep an open mind in all informative sessions and discussions.

Unfortunately, I have to write this statement to make sure members of the U.S. Government and the public know that D.C. Councillor ADVICE has been behaving in a way contradictory to the policies and actions of the D.C. Municipal Government.

Councillor ADVICE earlier tonight was engaged in a legal dispute with the United States Secret Service, who had to arrest the councillor for ignoring their traffic orders on E. Executive Avenue, a road regulated by the federal agency. As a response, the councillor has declared his intent to sue the Secret Service, using his status as a licensed attorney to file suit in the Federal courts. To clarify to the councillor that the Secret Service acted under the law, I asked Supreme Court Justice Bob561 to explain to the councillor relevant case law and other resources to show the Secret Service's legitimate actions. Unfortunately, the councillor refused to acknowledge the legitimate applications of U.S. Law [as shown through this video documenting the conversation](#), hence the need to release this statement.

To clarify, Councillor ADVICE does not represent the interests of the D.C. Municipal Government beyond holding a seat in the City Council. His actions do not represent the expected ethical standings of the municipal office that he holds.

Thank you, and I hope the D.C. Government can continue to operate on an ethical footing,
